## A NEW LOOK FOR WINTERTHUR – INSIDE AND OUT!

This spring, Winterthur will reveal a new look! After a yearlong renovation project, the iconic exterior of H. F. du Pont's former home will be restored to the architect Albert Ely Ives' original 1930's vision. New bronze-colored Plexiglas® will bring a warm, welcome glow to the house, restoring du Pont's goal of maintaining the atmosphere of a gentleman's private residence while also protecting the collection from damaging light.
