### WINTERTHUR CELEBRATES THE START OF SUMMER WITH ENCHANTED SUMMER DAY AND FAMILY FUN ON JUNE 16

Winterthur, DE, May 21, 2018—There's tons of family fun inside and out at Winterthur during Enchanted Summer Day on Saturday, June 16, from 10:00 am to 3:00 pm. From activities in Enchanted Woods to exploring the 13 garden follies in first-ever outdoor exhibition for making magic and memories.

Outside activities take place in Enchanted Woods. These include performances by musicians Slyte of Hand, enchanting tales told by storyteller Terry Colonna, and entertainment by magician Magic Tad. Throughout the day, children can make a woodland wand for casting spells, enjoy ice cream for sale by the Creamery at Woodside Farm, and get their faces painted. In addition, children can try their hands at games such as chasing the hoop, a ring toss, giant egg races, or the Game of Graces. Families will also enjoy the exhibition *Follies: Architectural Whimsy in the Garden*\*. From the 22-foot tall Needle's Eye floating in the front pond to the Chinese Pavilion to the pagoda-topped Latimeria Summerhouse to the castle-like Gothic Tower, the 13 fantastic structures located throughout the estate will delight visitors of all ages this summer.

More fun awaits in the museum where kids can make a variety of creative creatures, step back in time on a tour of the du Pont's home (complete with sticker book), and exercise their imaginations in the Touch-It Room. Enchanted Summer Day takes place rain or shine, with activities taking place both inside and outdoors.
