*Top-Rated Show Will Feature Lecture and Book Signing by Keynote Speaker Roehm, With Antiques From 60 Distinguished Dealers*

**Winterthur, DE**—Get inspired with renowned tastemaker Carlyne Roehm at Winterthur's 49th Annual Delaware Antiques Show, November 9 – 11, at the Chase Center on the Riverfront, and enjoy one of the most acclaimed antiques shows in the nation.

An accomplished designer, author, and lifestyle guru, Roehm will open the show as the keynote speaker on Friday, November 9, at 10:00 am, with a lecture about her passion for design, followed by a book signing of her newly published work, *Flowers*. Copies of *Flowers* will be available for purchase.

This year's show is designed to captivate the spectrum of collectors, from the seasoned connoisseur to the budding novice, with exciting offerings of American antiques and decorative arts, including furniture, paintings, rugs, ceramics, silver, jewelry, and more.

"I am delighted to participate in the 49th Annual Delaware Antiques Show, a venue famed for its array of exquisite treasures representing the finest dealers in the United States and Europe," Roehm said. "I look forward to meeting visitors to the show and sharing tips, insights, and ideas that I hope will inspire."

The author of ten books, Roehm is a columnist for *Veranda* and has been featured in publications such as *House Beautiful*, *Town & Country*, *O, CT Cottages and Gardens*, *Fortune*, *Architectural Digest*, *Food & Wine*, *Country Home*, and *New York Magazine*. She has appeared as a lifestyle guru on television shows such as *The Oprah Winfrey Show*, *The Early Show*, and *Good Morning America*.

Cocktails and exclusive early shopping in Delaware's tax-free sales environment will kick off the Opening Night Party on Thursday, November 8, from 5:00 to 9:00 pm. Aspiring and expert collectors alike will enjoy this "sneak peek" at dealers' inventories and early shopping opportunity at the Chase Center on the Riverfront.

Roehm, Delaware Governor Jack Markell and First Lady Carla Markell are honorary co-chairmen.

A special loan exhibition, "Color Counts," will showcase Henry Francis du Pont's extraordinary sensitivity to color, whether it was in the garden, the collection, interior design, or entertaining. For his table settings, he meticulously arranged greenhouse and field-grown flowers; amethyst, ruby, cobalt, and green glassware; custom-dyed table linens; and his 54 sets of china.
