POST-VISIT ACTIVITY – How Do We Decorate Things?

DIRECTIONS: This is a quilt design that uses a fan motif to create a pattern. There is a quilt in the Winterthur collection by Jane Lockhart that uses this design. Each quilt block has a fan. Sometimes the fan spreads open from the bottom left corner, and sometimes the fan spreads open from the top left corner. Can you cut out the five blocks at the bottom of the page and glue them in the missing spaces to complete the pattern?
